WELCOME TO OUR COMMUNITY

Chestermere is a dynamic recreational city with all the ambiance of a laid-back lakeside community. Here, you will find endless opportunities to unwind.

The Community Services Department works with residents to build community capacity, livable spaces, and social and recreational infrastructure by focusing on the following:

- community development;
- community resources and referral services;
- family and community support services;
- early childhood programs and services;
- community recreation services;
- parks upkeep;
- fund development services;
- social planning; and,
- emergency social services prevention, response, and recovery.

Our work is collaborative in nature, and is conducted through the promotion and co-ordination of many community partnerships and coalitions.

We work together to build dynamic communities that promote the strength and well-being of all people.

A MESSAGE FROM OUR MAYOR

Welcome to the wonderful City of Chestermere. Inside this booklet, you will find connections to all kinds of resources in our community and for our community. While Chestermere is Alberta's newest city, that doesn't change our unique oasis feel, or the warm welcome that you can expect when you connect with these contacts.

Over the past decade, Chestermere has been a rapidly growing community, and, with that growth, some exceptional opportunities have come our way. Our residents have created a safe, welcoming place to call home. Our businesses have created an atmosphere of friendliness and have a willingness to provide fantastic service. Our staff and Council have worked hard to provide top-notch amenities and a beautiful community for all to enjoy.

With growth can also come challenges, like identifying all the places, people, and services that are available to help you with any of your needs. This booklet is designed to connect you with the right people, groups, or organizations in a way that makes life easy so you can relax and enjoy your time in Chestermere.

Sincerely,

Patricia Matthews
Mayor, City of Chestermere
